ground for presenting the rublic a remedy that may Resolved. That the Land Agent be and hereby be intelligently appreciated and relied upon. That is authorized, upon the report made to him in wripowerful medicinal agent, the Blood Root, is the hasis of the Universal Sanguinarian Pills, and all the materials are drawn-from the Vegetable Kingdom the grand-source of support to animal existence.

But in the combination, the different ingredients are so blended and modified as to give the compound a remarkable advantage over the simples, and it is believed over all other medicines. When it is considered that nearly all diseases, chronic and 'acute, are founceted with a disordered getion of the stomach and flowels, and that in most instances, this is supprinduced by disorder of the Bile, or Gall, which is the natural physic of the system and when it is farther considered that there Pills act with singular Copper As a further sequency against counterfeits, power upon these many organs, and through them upon the blood and entire physical aconomy, soher reason must justify the assertion, that this valuable discovery lumisliesa remedy of rare efficiency in all curable cases of disease; and this deduction of reason is abundantly corroborated by experience. This medicine harmonizes with the laws of life, inspires and strengthens nature, and works its wonders, by generously cheering her on to a triumphant conflic with the obtrusive agents of disease. It is offered for general use, and as a safe and Most valuable family medicine. Sale, not because it does nothing. (like many contemptible nostrums of newspaper ce lebrity, which by occupying the place of efficient remedics, are often fittel) but safe, becomes it aids and co-operates with nature, instead of a ting bei aside and violently attempting to perform her work

by dangerous foreign agency All orders promptly attended to by BLASDEL.

COPY OF CERTAIN WESOLVES PASSED BY THE LEGISLATURE OF MAINE IN THE TRAK 1881. STATE OF MAINE.

RESOLVES for the appointment of a Board of Commissioner a to zettle the claims helieren rei tain individuals and the Sinte.

ESOLVED. That the Justices of the District Courts in this State be appointed Commissioners. (and in the event of a vacancy in the Board from any cause, the Governor, with the advice and consent of Council, shall forthwith proceed to fill the same) whose duty it shall be, on application made within one year from the passage of these Resolves of any person indebted to the State for the purchase of lands sold since the first day of lanuary, in the year of our Lard one thousand eight hundred and thirty four, or who have become assignee to any such purchaser, and having an equitable claim against the State, praying to be relieved from the payment of notes due to the State, and from obligation to perform certain settling du-Six veysure of the land originally contracted to be sold, either wholly or in part, to proceed and hear and examine, on oath, or affirmation, every ques tion and all tacts relative to said applications And said Commissioners are hereby empowed, after a full hearing and examination of such cases.

to make a written report to the Land Agent, directing him to settle and adjust said claims in such way and manner and upon such terms, as to them half seem equitable, just and expedient; and said Commissioners may turther direct such coals to be paid by said applicants, on account of expenses incurred by the State as to them - Gall seem reaonable and proper, to be paid before the execution by the Land Agent of the award.

Resolved, That each applicant shall make out

and life with the Land Agent, as soon as may be. "intalluble cure" for all diseases that thesh is brief statements of his case, one copy of which just received by of the Commissioners, and one to the Attorney Gенета!: "

Resolved, That all documents and written evi dence produced before said Commissioners shall

ting by said Commissioners or a majority of them, to cancel and surrender any notes, securities, or obligations in his hands, and too discharge morigages, give releases, and wake and each the convey ances, in such way and manner, and upon such maditions only as shall be prescribed in the report

il said Commissioners. Resolved, That the Governor, with the advice of Council, is hereby authorized to auch the accounts of said Commissioners, and to allow them such ompensation for their services as to them shall appear reasonable and proper, and the Land Agent is hereby authorized to may said Commissioners he amount due them allowed as aforesaid by the

Governor and Council.

Resolved, That said Commissioners hall give public notice of the time and place of their first meeting under this Resolve, three months proprio said meeting, by rublishing a notice thereof there wents surestrively in the State newspaper, and in such other public newspapers as they may think proper; and it is kereby made the duty of the At-General to procure evidence, and to attend the meetings of said Commissioners, and act in schalf of the State in all applications that shall be and before said Board of Commissioners. [Approved March 31, 1841.]

-STATE OF MAINE An additional Resolut in relation to the appointment of a Board of Commissioners to settle

FROLVED, That the Resolves approved Mar. 31, 1841, appointing the Justices of the Disrici Court a Board of Commissioners to settle the the passage of this Reserve; that a majority of said Justices may constitute said Board and be authorized and empowered to set in the premises. and that thirty days notice shall be given, instead of three mouths notice as fequired by said Resalves. [Approved April 16, 1841.]

The undersigned the Commissioners named in the foregoing Resolves, ketchy given nonce that they will meet at the Count House, in Brager, on the TWELFTH DAY OF JULY NEXT atten or fact in the foregoes, for the purpose of soung upon the claims and performing the duties contemplated in said Resolves. . ../

WEDYESDAY, JUNE 23, 184].

CONGRESS

venting any motion being offered for the suspension of the Rules, and that no Resolution by the citizens with three cheers shall be offered out of the regular order.

Several of the minority apposed the adoption of this addition to the Rule, but after some de of the 8th soya: hate, the report was accepted, Yeas 124, Nays this port yesterday for Baltimore, when he got Mask and Maria Automore Poland her Thad-

without any action having been taken,

In Senate, memorials on the subject of the removal of the Land Office, and petitions in favor of a Bankrupt Law were presented. - -

Mr Williams presented the Bunt resolutions of the Logislature of Maine, praying for an amendment to the Constitution of the United States so as to restrict the President to one term

Similar jaint reasintions weje presented by Mr Bates, from the Legislature of Mass. . Mr. Willimits presented a joint resolution of

the Legislature of Maine, on the subject of French Spoilations which were ordered to be -printed~

Mr. Buchanan moved that when the Senate adjourned it adjourned to meet on Monday. Mr. Clay said he should vote for the mo

tion on the ground that the adjournment would enable the Committee to and on the subject of the currency.

The motion was then agreed to.

The Senate resumed the consideration of the unfinished business, being the motion of Me Clay to print 1500 extra copies of the report of the Secretary of the Treasury.

Mr. Wright resumed and concluded his re-

-Mr Woodbury then rose to render his former remarks more intelligible to gendlemen, and to show how the Secretary could have relieved itis statements of the difficulty in which they were entangled

Mr Evans replied, and after which on motion of Mr. Calhoun, the Senate adjourned until

Hr We publish in our paper to day, at the request of those interested, a notice for a "Lib. erry State convention 'on the first of July next In publishing this notice, however, we feet itduty to say that we regret the movement, however pure may be the motives of its originators We deem the whole idea of such a convention as an abstraction altogether too refined for price tical benefit. It is a system of scatteration which must defeat all expectations of ever accomplishing the end ostensibly aimed at. It appears to us like an effort to sow discordinto our political institutions to overlook the transcendant force of moral power in curing moral evils But probably whatever we may say will have little effect with those who in their abstractions can run an express with a steam engine on a vein of atmospheric air

Tre following is an extract from a letter received by a gentleman in this city. It will be seen that the progress which the Washington surare, "akjud is oumary' any sponid chooniste all to persevere in the cause of temperatice.

"I be Washingtopiens see duing wenders in the village of Saccarappa. Their Society now numbers from 220 to 230. The trafficers are being starved out. Of the effects of the formstion of their society you may judge when I tell you that a hogshead of rum was hauled into the Excursions in the Interior of Russia. place a few days since, and the owner was obliged to call upon a stranger who was passing by to help him unload it, as the citizens had refus-

Our correspondent, who communicated to us the above extract, adds the following, very bp

" "Let this encourage our Washingtoniana. "I hope the day is not distant when in Bangor there will not be found a man to aid, in any the way, if the new enciety could be furmaked with means sufficient to carry out their benev. us before we expect it. Leverery man in the they profess to imitate him reminumity do his duty to this resociation, and a glorione era will soon rise upon our city-!'-

posimport-nt Cantion-14 It is a singular fact and one much to be regretted, that valuable medigines, as soon as they become popular, and have received the test and approval of and thus a bad and spurious article is immediately nalined upon the unsuspecting as the genuine. This has been notoriously the case with all popular tried

The base and could aptible counterlever in this way meanly takes advantage of all the efforts, and advertibilig used by the proprietors of the genuine article to get their hadicines into use and deserved popularity. It is therefore not less the dety than it contributes to the safety of every honest individuel in the community, to expose, from down, and forever after distrust all heartless ingrates, who that irresponsibly trifle with health and life.

THEREFORE TAKE NOTICE. There is a person by the name of J. B. ROCHE. PORT; now engaged in selling a Pill done au in hotes in exact and perfect mulation of the genume INDIAN VEGETABLE PILLS, with the omission ef only one word on the boxes viz. WRIGHT. The Pills sold by this Rochafort are evidently intended o fraud and imposition upon the community or they a nid not have been done up hanch exact im they a pid not have been done up in such exact im itation of the genuine. This person is tall and blustering, with a sai Theatrical swagger. He was recently known as twery puor player in Bahimore, under the musical cogn men of Jim Brown, and is about twenty five years of a. It is almost beyond a doubt that he is supplied with he Prilistican a Druggist firm in this city, who have man heretofore protoriously connected with counterfeit faulteines. As soon as practise of sobtained, the fountain head of As soon as proof is obtained, the fountain tiend of this nefarious husiness will be exposed, that the community may sum them as they would a serpent.

IN THE MEAN THIS THE PARTIES.

Against buying WRIGHT'S Indian Vegetable Pills of any one who does not exhibit a certificate agency signed by the agent for the New England States, and hearing date since January 1840. Also take particular notice that the following wording is WRIGHT & Indian Vegetable Pills (Ind-

Purgative) of the North American College of Health. THE ISDIAN VEGETABLE FILLS - NO - a certain cure for disease in its every variety of form because they thoroughly cleanse the stemach and howels. udace a proper directarge by the lungs, skin and kidney, and stimulate the blood to purity itself. In other words they open all the natural drains, and leave NATURE (THE GRAND PHYSICIAN) free to drive disease from the body. The above utlets, or drains, are the common severs of the bo dy, through which all murbid and corrupt humors in health; but when from eating improper 1000, with which the country is defined and from the lateral pages in the Side Back and from the strong imprire air, and depressed from health of the strong inspired and from the strong inspired in expecting this results.

In cold, over exaction, or any other cause, the bowels of there, he feels institude in expecting this needs in the Blood, as Salt Rheum, Scorfulation has eating pages in the Side Back and from the strong imprire air, and the strong inspired in the strong inspired in the subject of editorial comment, in tarives, and the subject of editorial comment, in tarives, and it may with truth be larged to the subject of editorial comment, in tarives, the best remedy ever inspired. Note are grounded by the subject of editorial comment, in tarives, the back without the signature of the only inventor and Propring the back by these contracts with the remained and continue asserted that no medicine of the kind has ever rein nearing our wirest from eating improper toto, with which the country is deliged and from the istairing improper are strong invariently to already bestowed upon it by physicians and the cold, over exadetion, or any other cause; the howels others, he feels firstified in expecting this result. to accumulate until the body becomes literally load- ceived testimonials of greater commendation than ed with disease.

to the human constitution on book consequently (Highilities to Cancers glandular swellings, &c., to the numer constitutes on a most deheate. Like and assisting to establish that new action in the anour tood they are digestible; therefore they enter ento the circulation, and impart an energy to the blood which combles it to flow, with freedom quite to the extremities and consequently to keep the fores of the skin open. They are true and perfect purifiers of the blood; because they drain all got suplessent symptoms tenadit, rapt humors from that life giving fluid. They ims part strength and vigor to the whole system, and tem which occurs in the sommencement of Spring their effects are always lieneficial; because they and Summer, those Pills of the particularly applicatuer enecis are always remove these humors which are opposed to nic in preventing Rheumatism. Caughs, congestion health. The aid and improve digeston and sound of the lungs, are, and have prolonged many a life health. The aid and improve digeston and sound of the lungs, are, and have prolonged many a life health with the large follows their use; herause they cleanse the that otherwise would have been a sacrifice to the stomach and howels of their winy humors, which not only irritate and excite the nervous system. but parylize and weaker the digestive organs. In short they presess all the good properties that can Scorofile or Consumption, should take warning in the claimed for any medicine; and what is very reseason, and entitled a remedy, which, while it is be claimed for any medicine; and what is very remarkable, it is utterly impossible to use them without henefit.

April 10. 1. NEW AND IMPORTANT DISCOVERY. DR. PHEDES' COMPOUNDтомато риду,

A New and Invaluable Medicine for all Diseases arising from Impurities of the Blood, Morbid Secretions of the Liver and Stomach; also . a ubstitute for Calound as a Calhardio in bevers and all

Billious Affections combination of a ed from the TOMATO PLANT, with other vegetaand diffact its effects, are selieved to be the best Alterative and Catharite Medicale ever discovered. They have been abundantly and successfully tried, and have received universal approbation for Scrafand nave received universal appropriation of Scaving Cyapopsia, Januaine Richous Riversals, Graving Theumatism. Oongha, Coles, Influenza, Catarti, Nervous Diseases, Ford Stomacis. Claudita.

Swellings of Wkinds, Costiveness, Chohe, Headache, &c. They are an antidote to Contagious and Epideme diseases, prevent the formation of Billious and Liver affrictions Fever and Ague, &c., in those who reside in hot climates, and low and marshy, countries, and are the best Cathartic that can be and maly refusable morticines for years past, and used for those localities. Seeing will find then you will probably continue to be the case for years to intalline remedy for the Devices and I raveling. the best medicine they can use to counteract ... the dangers of exposure in unhealthy climates. For ordinary Family Physic, they are universally approv-

ed, as the best ever offered. These Pills have a powerful and safutary opera tion upon the Glandular System, remaying all ob-structions from the Gland, wherever situated, Scirogities and Scrofulous Taints is all their forms, and if persevered in, no case of Scrolula, however severa, can resist his influence. It is in their operaso peculiar and potent, and so nearly resemble that of Caloinet. In fact, the Tomatine has all the Alterative Deobstruent and Cathartic properties of Calomet, without ever producing unpleasant or injurions effects under any circumstances, either from exposure to cold or wet; on the confrary, the Compound Tomato Pills are the heat remedy ever khown to counteract the effects of Mercury, completely eradicating every particle of it from the system, and rendwating the constitution broken down by its use; which it does by correcting the married secretions and through that, correcting the married secretions of the glands, and restoring them to a healthy and their own proper action - its effects are analogous to Sarsaparitta and Blood Root, and in its combined action in the ingredients composing the Pills, it

ett action in the ingradients composing the Pills, it exerts a universal action peculiar to itself.

The peculiar virtues of the Tomato Ptant, have for some time elemented the attention of the Medical profession and the Public, and a lively interior has typently seen directed to the foture developement of its action process, and its Autibilians and Alterative qualities; which the Provinces is now ment of his active powers, and its Antibilions and Alterative qualities; which the Proprietor is now happy in being able to graffy and presents his Pills to the Public, with the first confidence of their being the most safe and valuable rangedy ever discounted, and when any of the functions do not perform their natural or healthy action.

Numbers restificates of cures, from these where

Numerous cornficates of cures, from those w have taken them, and the testimony of several Phys. icians whe have prescribed them, all concur to corroborate this opinion. The rapidly increasing demand for, and the universal approbation bestowed upon them, is an additional evidence of their meris and usefulness.

In presenting this article to the public, the Proprietur was induenced by the hope that a medicine prepared with much care, and strict regard to the Chemical and Therapeutic properties of its several (the empressibilities of the carried on antesorous as they are all kept open, and discharge broken in responsible nostroms of the present day, all one impurity the body will continue and one irresponsible nostroms of the present day, in health; but when from eating improper food, in health; but when from eating improper food, with which the country is deluged and from the lahody by those outlets will be retained, and continue asserted that no medicine of the kind has ever re-

are attached to this: . ad with disease.

The shore pills may be taken at all umas and.

Females from forty to fifty years of age will find.

Dr. Gordack also gives great satisfaction for observed and circumstances; with perfect safety. They have all circumstances; with perfect safety. They have a powerful assistant to flature, in the importing the colds. Congres and Cararch, Hind and safe all complaints and all ages, and are as powerful assistant to flature.

Some and complaints and all ages, and consequently it it is shifting to Cancers, glandular swellings. mal economy which nature often fails to do. None should avoid a free and continued use of them, if they wish to escape a long train of incurable mala-For this purpose one should be taken every night and morning; and continued at long as any

For the ronnestyd and deranged state of the sys-

changes of the season. Those persons liable to sore throats, swelling of the glands, coughs, and other symptoms indicating searching out and eradicating disease, makes no deductions from the vital powers of the system.

As a Dietatic or Dinner Pill, one taken half an hour after dinner, will sufficiently stimulate the digestive powers of the stomach to a healthy and invigorated action, and they are found extremely serviceable (6) those who indalge in long dinners, or late suppers, or immoderately in desserts or fruit.

Il For a full account of this interesting discovery, testimonials; mode of operation, &c., see pam phiets, in the hands of all who sell these Pills.

**Enquire for PHELPS' TOMATO PILLS

and be particular to observe that the label is signed to sell the Genuine Indian Vegetable Pills, there G. R. Phelps, M. D. Price 871-2 cents, with full directions accompanying each Box.

> From the Boston Morning Post. matine has been discovered in the Solanum class of plants, perticularly in the Tomato, which promises to be of peculiar service in Lang Affections, Berofula and Glandular obstructions, particularly of the Liver also an antidote to Mercury. It is embidied in the Comgound Tomato Pills, which are truly

worthy of a trial.

From the Patriot & Letout ill PILLS, Unlike the numerdus speculations of the day, there is one medicine which de ryer the popularity and patronage it is receiving. We allude to Dr. Phelps' Compound Tomato Pills. Indiging from the patronage they are receiving from the Medical she patronage they are receiving from the Medical Faculty, and the approbation of those who have used them the should expectable and dicine. Being included by a respectable and practical ember of the literature of the Bladical profer lau. Whyse character in this vihis medicine, we are enabled thus confidently to speak of it, and fully believe it is entitled to the confidence of the conx vaity.

D. R. ALLIDEATE A L. N A. M. of Line house, Liverwork, and Plemisy Root, FOR CON-SUMPTION AND LIVER COMPTAINT, Colds. Coughs, Spitting of Blood, Catarrh, Asthma, Difficulty of Breathing, Pain in the Side, Palpiteron of the Heart, Oppression and Screness of the Chest, Plearisy, Heetic Fever Night Sweats. Difficult and Proluse Expectoration, and all affections of the

Chest, Lungs and Liver.
The Hosthound, Liverwort, and Pleurlay Room have for confines been refebrated in the cure of diseases of the Tung and Tiver.

Dr. B. D. Allen, after a scene of experiments, has been sole to extract from these medical nertis nas been able to extract from these medical metric a balsato, which exerts a most wonderful affact in curing Consumption and Liver Complaint, and all other diseases of the Lungs and thest. So great has become the reputation of Dr. Allon's Italian that it is now used in the New York Philadeladelphia and, Baltimore Hospitals, and in the prirate practice of our most emment medical mag.

For children laboring under Inflammation of Luigh, Colds Coughs, Croup, Quinsy, and San Throat this Balsam is of great inportance. The number of deaths among children from these deleasexis truly plarming. It parents wish to save the lives of their enildren and themsels es much troub anxiety, and expense, let them procure (ir. B. D. Atten's Balaum; and whenever a child has taken coldrhas any lover, tough, or hourseness, give a teaspoonful of this medicine, and repeat it if he cessary ; e en one teaspoon'ul will often effect an entire cure. During the winter of 1889 rising ce on the send families coupleyed this remedy in the city of New York. The consequence was, that the number of deaths among children- was reduced .10. less than one half the usual number, as may be seen by the city inspector's report of deaths.

In action to give the reader some idea of the effieacy of this Balsam, and now extensively it is used. we here introduce the monthly report of the cures it seriormed in the month of May, 1839, as furnished us by the agent, and puolished in the New York
